New Vistas' Sibling Morning Care

If you have a child in grades 3–6 who begins school at 8:40, younger siblings in preschool through 2nd grade can be dropped off at **8:25 AM** in **Room 9, Building A** at no charge.

This is a quiet time for students to read, draw, write, complete homework or play quiet games.

No need to worry about waitlists—this program will not fill up. However, it is essential that your child is registered and their name appears on our master Sibling Morning Care list to participate. Please submit the registration form to the front office or email the PDF version available on our website.
